Digital Material Requirements

File Format (IBM PC): pdf, tiff, eps No Raw/Open files will be accepted.

e-mail: admaterial@abp.in e-mail for all revised materials: revisedadmaterial@abp.in

Terms & Conditions

- Every precaution will be taken to ensure that competitive advertisements are not
 published on the same page. However no guarantee can be given to that effect.
 No claims will be entertained for discounting/make goods in case competitive
 ads appear on the same or facing page.
- No particular position or page is guaranteed unless premium is paid for the same.
- All possible care will be taken to ensure proper reproduction. However, the company will not be responsible for improper printing due to supply of defective material.
- Materials will be printed as supplied by the agency/client without any correction at our end.
- All efforts will be made to print All Edition advertisements on the same day.
 However, no guarantee can be given for the same. The advertisement will be
 published within 48 hours of the original date, in case not carried on the
 same day.
- In case corrections/alterations are made on a previously published advertisement, detailed instructions for the changes need to be made for the repeat insertions as well. Make good for publication of incorrect ad if merely repeat date is mentioned will not be entertained.
- Advertisement materials will be retained at our end for 15 days post publication. The company will not be responsible for any material after that period.
- Reproduction related complaints need to be brought to notice within 5 days of publication. No complaints will be entertained thereafter.

Guidelines

- Column widths are fixed and materials should be prepared accordingly. Width
 of all advertisements will be measured as per our standard column width. Example:
 A two column advertisement will be treated as 7.9 cm as per our standard width
 even if it measures less than 7.9 cm.
- Release Orders should mention height, number of columns and width. Example: if advertisement is 25 x 4 then RO should mention 25x4, width 16.3 cm.
- Column width will be considered to one decimal place for billing purpose.
- All advertisements in Anandabazar Patrika(ABP) and The Telegraph(TT) having height of 48 cm or more will be treated as full height advertisements(51cm).
- Height of advertisements will be taken as whole number for billing purpose. A
 fraction of a cm measuring 0.5 cm or more will be treated as 1 (one) cm.
- A combination advertisement (i.e. ABP+TT) must be published within 30 days from the date of publication of the first advertisement. Otherwise, the first advertisement will be billed as per individual rate.
- Minimum size of an advertisement is 3cm(H) x 3.8cm(W).

Deadlines

A. Receipt of Release Orders & Materials

- All Release Orders have to reach us by 10am for advertisements to be published on the following day.
- Advertisement materials must accompany the Release Orders.
 Advertisements that need to be prepared by us need to reach us 2 working days
- in advance.
- For issue days Sunday, Monday and Jobs on Tuesday all Release Orders and Materials need to reach us on the previous Friday by 4pm.

B. Cancellation Charges

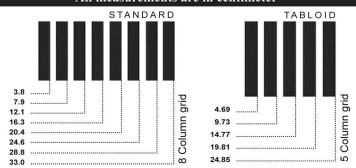

Front Pages		Other Pa	ges
• > 3 days	No charge	• > 2 days	No charge
• 3-2 days	50%	 2-1 days 	25%
< 2 days	100%	 Previous day 	65%

- All cancellations need to be informed by 11am on the respective days mentioned above.
- Bills will be automatically raised by the system on the basis of release order, in
 case the cancellation and/or the material is not received within the scheduled time.

Material Guidelines

• Ad file should not contain any extra matter (that will not be printed) • Avoid thin/ lower point/ serif type in reverse • Avoid colour type in same group of colours with the background colour. e.g. 20% Red against 50% Red • Avoid Yellow colour type against light background • File size should be optimised for effective work-flow. eg. A full page colour ad should have a file size of not more than 70mb • In the EPS/ PDF file linked image/ images should be in CMYK • Minimum 250 Resolution for SNP & 300 Resolution for GNP/Artpaper • All the text should be converted to path • All overprint should be removed • Single color black, instead of 4-color black, to be used for texts. • Electronic documents should always be accompanied by a proof sheet/print. • All colors in the ad must be in CMYK optimized for newspaper printing. In Black and White ads, only black is permitted (K in CMYK). Pantone and RGB colors should not be used. • Do not use styles like "bold" or "italic" in the program, but always select the correct font from the font-menu (e.g. TimesBold or TimesItalic). Text in illustrations/logos must be transferred into lettercontours.

MECHANICAL DATA All measurements are in centimeter
